

## Fudan Development Institute

### Seed Fund · FLAUC Fellow Program (Year 2023-2024)

#### Overview

As the global pandemic stabilizes, Fudan Development Institute (FDDI) welcomes qualified scholars in the field of Latin American studies to apply for its “Seed fund · FLAUC<sup>1</sup> Fellow Program”. The program allows scholars to interact with Fudan faculty and help deepen cross-disciplinary academic collaborations in the post-pandemic era.

#### Eligibility

1. Applicants are required to be or under 60 years of age and hold nationality of outside Chinese mainland; Each applicant may volunteer to recommend an outstanding PhD student in the same research field to join the visit;

2. Applicants are required to hold a faculty position at a recognized university or be a regular member at an established research institute outside Chinese mainland;

3. Applicants are required to identify a joint research collaborator with full faculty position at Fudan University before applying for the program. Applicants should make sure that their Fudan collaborator is available to regularly discuss about the research and host their seminars;

4. Applicants are required to be available for full-time research at FDDI for 30-90 days. PhD students are required to be available for 90 days;

5. Preference will be given to scholars who have been accepted in 2020;

6. The working language is required to be English.
